

## A Peek Inside the Mandarin Oriental

July 27<sup>th</sup>, 2010

While the Mandarin Oriental is perhaps best known as a high-end global hospitality chain, this video from New York Magazine takes a peek inside the residences at the Mandarin's New York City outpost. This \$6.9 million, two-bedroom, two-and-a-half-bathroom condo is perched on the 66th floor at the Time Warner Center, above the hotel, which **Core** agent Fredrik Eklund describes as the "most prominent building in Manhattan."
